

Reading - Board Goal 1:
 The percentage of students in grades 3-8 who are proficient on the state ELA assessment will grow from 35.7% in August 2019 to 65.0% by August 2026.

Leading Indicator 1.1:
 The percentage of students in grades 3-8 who score at or above grade level on the District's within-year reading assessment in Fall, Winter, and Spring each year.

Leading Indicator 1.2 - Closing the Gap:
 Closing the Gap: The percentage of students, by subgroup, in grades 3-8 who score at or above grade level on the District's within-year reading assessment in Fall, Winter, and Spring each year.

¹ aimsweb/aimswebPlus and Star Reading assessments were not administered district-wide in 2017-18 and 2018-19. In 2017-18, aimsweb was administered. Starting in 2018-19, aimswebPlus was administered.

² Starting in 2019-20, Star Reading was administered. For students in grades 6-8, only Star Reading was administered. In Spring 2019-20, aimswebPlus assessments were not administered to students in grades 3-5 due to COVID-19.

³ In 2020-21, At/Above Grade Level is the percentage of students who received a composite score and scored at Tier 1 on aimswebPlus Reading, as well as students who are At/Above Benchmark on Star Reading. To receive a composite score, a student must have completed all required subtests. In 2017-18 through 2019-20, At/Above Grade Level is the percentage of students who took the assigned core subtests for each grade and scored at Tier 1 on aimsweb/aimswebPlus Reading. For 2019-20, At/Above Grade Level also includes students who were At/Above Benchmark on Star Reading.

⁴ Students are considered eligible if they were enrolled at their school on the last day of the testing window. Both the aimswebPlus and Star Winter 2020 assessment windows ran from December 14, 2020 through January 29, 2021.

⁵ Students are counted as participating if they received an aimswebPlus composite score or completed a Star Reading assessment. Only results from assessments taken within the official testing window are counted, except from a select number of schools that administered aimswebPlus starting December 1, 2020.

⁶ For aimswebPlus, intensive intervention corresponds to Tier 3, Strategic Intervention to Tier 2, and At/Above Grade Level to Tier 1. On Watch is only applicable to Star. For Star, At/Above Grade Level corresponds to At/Above Benchmark. At/Above Grade Level is shaded based on the distance from the annual target, with red representing lower performance rates and blue representing higher performance rates.

⁷ Metrics for student groups with fewer than twenty eligible students have an insufficient sample of students to calculate performance and are suppressed.

⁸ All students are required to participate except for students who are exempted based on their Individualized Education Program (IEP). For the Special Education student group, % of Students Participating includes all students, including those who are exempted, in the denominator.

	What we are going to do?	Why are we doing this?
Performance	Building on the recommendation from Goal 2, we will enhance the current ELA framework and curriculum by incorporating strategies for Special Education and English Language Development in an accessible way and develop educators in the essential practices needed to serve ALL students.	<p>These actions are interrelated, and together, they will expand our capacity to deliver high-quality reading instruction to students who are prepared to learn.</p> <ul style="list-style-type: none"> • The integration of our frameworks and curriculum will provide a unified vision to create shared ownership and accountability to collectively serve all students, and help us equitably distribute resources and training to increase students' access to grade-level instruction and achievement. • A robust Multi-Tiered Systems of Supports (MTSS) fosters and supports a whole-child approach to education; and supports a student academically, behaviorally, and emotionally. • A commitment to consistent teacher development and collaboration will empower teachers to make the most of a strong framework and curriculum, and to leverage MTSS and Common Planning Time to differentiate supports for their students.
Staffing	We will implement and refine Common Planning Time as a sacred, regularly-scheduled, structured time where teachers and leaders collaborate to support continuous learning, build capacity around content, pedagogy, and informed instructional decision-making, and develop school cultures that promote belonging and achievement for both staff and students.	
Climate	Building on recommendations from Goals 2 and 3, we will provide schools with differentiated Multi-Tiered Systems of Supports (MTSS) implementation supports (rolled out in tandem with the new MTSS framework) that align to their needs, context, organizational conditions, and staffing.	

¹ Students are counted as participating if they received an aimswebPlus composite score or completed a Star Reading assessment. Only results from assessments taken within the official testing window are counted, except from a select number of schools that administered aimswebPlus starting December 1, 2020.

² For aimswebPlus, Intensive Intervention corresponds to Tier 3, Strategic Intervention to Tier 2, and At/Above Grade Level to Tier 1. On Watch is only applicable to Star. For Star, At/Above Grade Level corresponds to At/Above Benchmark. At/Above Grade Level is shaded based on the distance from the annual target, with red representing lower performance rates and blue representing higher performance rates.

³ Star Reading is not administered to students in grades 3-5.

Reading - Board Goal 1:
 The percentage of students in grades 3-8 who are proficient on the state ELA assessment will grow from 35.7% in August 2019 to 65.0% by August 2026

¹ District-wide student counts include students without an attributed school and schools that were not assigned a Winter 2020 Target Group. For 2018-19, this represents 3,809 students.

² The metrics 'Distance to 2020-21 Goal' and 'Distance to 2021-22 Goal' are measured using 2018-19 performance.

³ Metrics for student groups with fewer than twenty eligible students have an insufficient sample of students to calculate performance and are suppressed.
